

# How to Access Dashboard and Update Profile

## Log in to Account

1

Log in to your HealthKnowledge account. Your student dashboard will show all current and completed courses.

## Customization

2

The upper right-hand menu shows notifications and private messages. The upper right-hand drop-down menu gives access to accessibility settings, your profile, grades, preferences, and your site language.

## Access & Edit Profile

3

Click the upper right-hand drop-down menu and click on the profile tab. Click the “Edit profile” button to edit information such as your email address/username.

## Technical Support

4

If you are experiencing issues with login or forgot your password, contact the HealthKnowledge help desk. You can request help in English or Spanish.
