

How to Search and Enroll

Types of Courses

1

The majority of courses housed on HealtheKnowledge are self-paced, but there are also moderated and private courses. All courses offer a certificate of completion and some have opportunities for CE credit.

Finding a Course

2

Click “Home” in the upper left-hand menu to browse course categories, or use the search bar to find a specific course.

Enrolling in a Course

3

Click on “View Description and Enroll” under a course title. The “Register Now and Begin Course” button will appear, click confirm to start the course. If you need to retake a course to earn a newly dated certificate, click the “Reset my activity completion” button inside the course.

Technical Support

4

If you are experiencing issues with enrolling or accessing a course, contact the HealtheKnowledge help desk. You can request help in English or Spanish.
